

## Annual Report

***'The future belongs to those who see possibilities before they become obvious.'***

We delight in the beauty of the butterfly, but rarely admit the changes it has gone through to achieve that beauty.

It is the changes that we all go through our lives that constantly improves us, and with Maya Angelou's words portraying this thought in the most dazzling way possible, I would like to wish you all a very pleasant morning.

On behalf of the management, staff and students of Sarvottam International School I welcome our worthy guests and members of the School Management Committee.

In re-imagining modern education, our vision is to create a safe inspiring space, cultivate happy lifelong learners, build character and nurture humble leaders with the values of service while delivering academic excellence and fostering a global perspective.
