# FANCY DRESS COMPETITION

Whether it's a toy or a book,  
or your favorite teddy bear,  
It doesn't really matter,  
Just as long as you play fair.

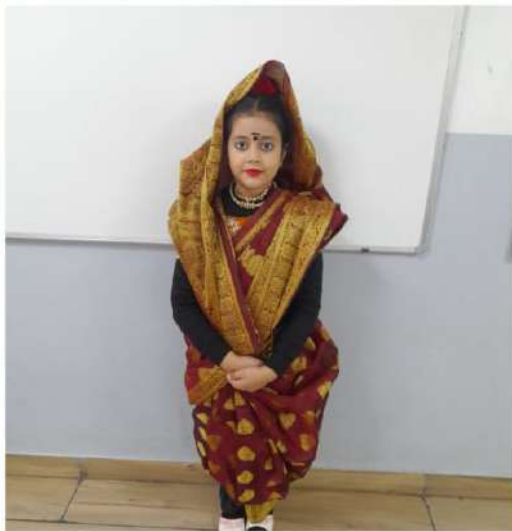

Learning Outcome: To understand the joy in possession and sharing.

...most trying to do,  
is to learn how to share.  
Whether it's a toy or a book,  
or your favorite teddy bear,  
It doesn't really matter,  
Just as long as you play fair.

To make a difference in  
someone's life you don't have  
to be brilliant, or perfect. You  
just have to care.

There is no joy in possession  
without sharing.
