## **VISION**

**In re-imagining modern education, our vision is to create a safe inspiring space, cultivate happy lifelong learners, build character and nurture humble leaders with the values of service while delivering academic excellence and fostering a global perspective.'**

## **MISSION**

**To create a safe learning space where we develop not just exceptional students, but happy children. To provide students with a challenging educational environment within an international community, focusing on a global curriculum, integrated with technology, and a plethora of extracurricular activities to meet students' individual needs. With an objective to ensure a conducive environment, we have dedicated a sprawling campus spread over an area of 10 acres comprising state of art infrastructure and world class facilities. To adopt and promote the UN Sustainable Development Goal4- Quality Education To pursue quality as an attitude and strive to develop students with rational thinking based on a strong foundation of ethics and moral values, build on the proven success of Indian education, while assimilating developments of the modern scientific world in our curriculum.**

# Our Mentor

**Dr. Priyanka Mehta**  
**Director Principal**

An eminent educationist with over 25 years of experience in the field of education. She has been widely appreciated for her work in the field and has been honored with several awards and recognitions. She firmly believes in creating value for society through nurturing and empowering young minds, leading them to become aware, responsible and ethical human beings who believe in strong values and relations in the modern world.

A totally peoples' person, she enjoys being with children and learns from their experiences, joys, and failures. Spirituality and values are very close to her heart and she believes that strong roots of values and culture strengthen character and ensure righteousness. She inspires as a fine blend of tradition and modernity, where Love for the motherland settles the soul and modernity of thought liberates the mind to think, innovate and create.

*Her guiding lines are, "One day we are all going to be a memory....we must truly try to be a good one. The smiles on the faces of my students, as they express their love and trust, encourage me to work for them and give purpose to my life. I am driven by their faith and love. Their never-ending support pushes me further and allows me to be me. I keep reminding myself to be a learner and seek means and ways to enrich myself."*

*I am forever inspired by the lines:*

*"Life is short, break the rules, forgive quickly, kiss slowly, love truly, laugh uncontrollably, and never regret anything that made you smile."*

*Twenty years from now you will be more disappointed by the things you didn't do than by the ones you did. So throw off the bowlines. Sail away from the safe harbor. Catch the trade winds in your sails... Explore. Dream. Discover....."*

Friendship Day is just an opportunity to let our friends know that we value their presence in our life.

## Friendship Day

On 7th Aug Friendship Day is celebrated all over the world. To mark this day, our little Sarvottmites celebrated virtual Friendship Day during their online classes.

The students were made aware of the importance of friends in life. The students were also told stories with the morals "A friend in need is a friend indeed" and "Sharing is caring".

The day concluded with the students hugging their friends virtually and presenting each other with a friendship craft.

## Rangoli Competition

Spirit of Independence Day began in full swing.

Mothers participated enthusiastically in Rangoli making competition on the theme- 'Atamnirbhar Bharat'.

## Digital mania

'Inside every child is a Rainbow waiting to Shine.

Children spend so much time with digital media, it is imperative that we find ways to optimize what they are learning from their digital play. Students of Grade 1 and 2 learnt to design using Tux-Paint and Microsoft Paint.

They composed beautiful book covers and scenarios under the 'Digital Mania Activity'.

Learning is a treasure that will follow its owner everywhere.

## Creo 2020

It's appreciation and accolades for young Sarvottamites who participated in CREO INTERNATIONAL 2020.

A two day long Inter School Competition hosted by Nehru World School Ghaziabad. Sarvottamites bagged prizes in all 9 events.

It was a moment of great pride and honour for the students, parents and the teachers who put in their hard work.

It is always said "Winning is not getting ahead of others; it is getting ahead of yourself".

Learning is not the product of teaching.

Learning is the product of the activity of learners.

## Teacher Corner

### Importance of Introduction of Sound System

It is very important to teach phonics to children as phonics instruction teaches them how to decode letters into their respective sounds and is a skill that is essential for them to read unfamiliar words by themselves.

Children can use phonics knowledge to “sound out” words. They can learn to recognise how sounds are represented alphabetically and identify some letter sounds, symbols, characters and signs.

Phonics are essential for children to become successful readers and spellers in the early years of schooling and beyond.

Phonics teaches this information to help children learn how to read. Children learn the sounds that each letter makes and how a change in the order of letters changes a word’s meaning.
